Village of North Hudson Deer Management Plan

Hunter-Participant Waiver, Release of Liability and Covenant not to Sue

I Daniel B. Schmit (print name) a resident of Wisconsin, with an address of 756 Summit Lane N Hudson WI 54016 and a phone number of 715-684-9043 agree as follows:

I desire to participate as a hunter in the Village of North Hudson Deer Management Plan. In consideration of being allowed to participate in the Deer Management Plan, I agree as follows:

1. **Voluntariness:** I understand that my participation as a hunter in the Deer Management Plan is completely voluntary, and it is my desire to participate in this hunt. I willingly agree to release the Village of North Hudson, its board members, officers, and employees, from all liability resulting from my actions, or the actions of other people, while I am engaging in said hunt and related activities.

2. **Adherence to all Laws and Regulations:** I understand that it is my responsibility to observe the rules, regulations and restrictions as set forth in the Deer Management Plan, the RiverValley Deer Management LLC Proposal, and all local, state and federal laws and regulations including, but not limited to, all DNR regulations.

3. **Permissive Nature of Hunt:** I understand that the Village of North Hudson may not be the landowner where hunting is permitted to take place and I am participating in this hunt with the permission of the landowner(s), and that said permission may be withdrawn by any landowner at any time for any reason or no reason at all.

4. **No Hunting on Village Land:** I understand that I may not hunt on any Village owned land, including but not limited to parks and undeveloped or wild areas, unless I receive specific, written authorization to do so from the Village Board stating exactly which parcels on which I may hunt.

5. **Release from Liability and Covenant Not to Sue:** In consideration for allowing me to engage in said hunt and related activities within the Village, I agree to release the Village of North Hudson, its board members, officers, and employees from all liability, including any due to negligence on the part of the Village of North Hudson, its board members, officers, and employees, for any injury to me, regardless of the severity or manner in which the injury is sustained, except that I do not waive any rights with respect to the reckless or intentional actions of others. I also agree to waive all rights to make any claim against the Village of North Hudson, its board members, officers, and employees, for any property damage or loss which I sustain no matter how such damage or loss may occur.

6. **Indemnification For Claims Arising From My Actions:** I agree to defend, indemnify and hold harmless the Village of North Hudson, its board members, officers, and employees from any and all claims, suits, costs or expenses of any kind including but not limited to attorney fees and expert and consultant fees incurred as a result, made by any person for personal injury, including death or property damage, which claim in any way arises out of or is in any way related to my participation in said hunt or related activities or any other activity upon land made available to me for said hunt. This obligation to defend, indemnify and hold harmless equally binds my heirs, assigns and personal representative in the event of my death or incapacity.

7. **Acknowledgement of Voluntary Waiver of Legal Rights:** I acknowledge that this agreement is a legally binding contract, which supersedes any other agreement, or representation by or between the parties, and can only be modified with the written agreement of myself and the Village. I further expressly agree that this agreement is intended to be as broad and inclusive as permitted by the law of the State of Wisconsin and any other State, and that if any portion is held invalid, it is agreed that the balance shall continue in full legal force and effect.

   I understand I am giving up important rights by contractually agreeing not to sue or make claims against the Village of North Hudson, its board members, officers, and employees with respect to my participation in the Deer Management Plan, and I do so willingly and voluntarily.

8. **Ability to Seek Attorneys' Advice:** I also agree that I have been given the right to seek an attorneys' opinion before signing this agreement, and if I have not done so, it is because I have chosen not to do so, and nothing has been said to me verbally or implied in any way, that an attorneys' counsel is not necessary. I know attorneys should be consulted before contracts are signed, and this is a contract.

I understand that I may not shoot an arrow in the Village of North Hudson without the expressed permission of the Village Board and that this document, by itself, does not constitute such permission.

I have completely read this agreement, I understand it thoroughly, I fully agree with its content, and acknowledge its warning of potential hazards which may result from my engaging in hunting activities and from my physical presence in areas used for the purpose of hunting.

I have read the above, that includes a waiver and release, and I sign below voluntarily,

Participant-Hunter
