

**ISSUE STATEMENT**

North Hudson Public Works Committee  
October 18, 2016  
North Hudson Finance / Village Board of Trustees  
November 1, 2016

Submitted by Mark Ekblad, Public Works Director

**Issue**

Purchase of a D.R. Brush Mower.

**Background/Current Information**

- The Village's current D. R. Brush Mower was purchased in 1994 and I can no longer get replacement parts for it.
- We use the Brush Mower to maintain street right-of-ways, storm water detention / drainage areas, lots not being mowed by the property owners and Village parks.
- I received quotes (attached) from the following D.R. Dealers in our area:  
Gerlach Service Inc: Pro-XL 30" Brush Mower= \$3,060.00  
Pro-Max 34" Brush Mower= \$3,240.00  
  
Stockman Farm Supply: Pro-XL 30" Brush Mower= \$3,299.99  
Pro-Max 34" Brush Mower= \$3,479.99
- Public Works has \$5,000.00 in the 101 Fund (Curb / Gutter / Walk Repair) that has not been used. The Village Administrator and I agree that the funds could be used to purchase needed equipment in 2016 instead of requesting the funds in the 2017 budget.

**Suggested Motions:**

**Public Works:**

Recommend the purchase of the D.R. Pro-Max 34" Brush Mower from Gerlach Service Inc. at a cost not to exceed \$3,240.00.

**Finance / Board:**

Move to approve the purchase of the D.R. Pro-Max 34" Brush Mower from Gerlach Service Inc. at a cost not to exceed \$3,240.00.
