

ISSUE STATEMENT

North Hudson Public Works Committee

October 18, 2016

North Hudson Finance / Village Board of Trustees

November 1, 2016

Submitted by Mark Ekblad, Public Works Director

Issue

Purchase of Weather Guard Pack Rat Toolbox.

Background/Current Information

- The Public Works staff would like to install a Weather Guard Pack Rat, model 308-5 tool box in the back of truck #3 similar to the one currently in the back of truck #1.
- With the Pack Rat toolbox installed to the truck bed floor, it is easy to access equipment, tools, etc. instead of having to climb up in the truck bed to get equipment and tools out of the saddle style toolbox that is currently on truck #3.
- I received a quote from Truck Utilities and an on-line quote from Home Depot (see attached quotes):
Truck Utilities= \$1,332.00
Home Depot= \$1,253.64 (Not sure how long price is good for).
- Public Works has \$5,000.00 in the 101 Fund (Curb / Gutter / Walk Repair) that has not been used. The Village Administrator and I agree that the funds could be used to purchase the needed equipment in 2016 instead of requesting the funds in the 2017 budget.

Suggested Motions:

Public Works:

Recommend the purchase of the Weather Guard Pack Rat, model 308-5 tool box at a cost not to exceed \$1,332.00.

Finance / Board:

Move to approve the purchase of the Weather Guard Pack Rat, model 308-5 tool box at a cost not to exceed \$1,332.00.
