Re: permit denial for 712 Galahad Road North

We received an application for a pool permit at 712 Galahad Road North. Per Village Ordinance 98-31, all structures need to be 30' from any front lot line. Ms. Paulson would like to install a pool on the Galahad Road side of her house but is not able to meet that 30' required setback. Therefore, I am denying the permit.

I understand that Ms. Paulson will be applying for a variance. She has a difficult lot and I would support granting the variance.

Please let me know if you have any questions.

Sincerely,

Brian Wert
Building Inspector
