RE: **Legal Representation**

Dear Melissa:

Some time ago Mindy Dale announced her decision to retire in January 2021. Weld Riley had been moving forward with staffing plans which would allow us to continue to represent you following Mindy's retirement. Our plan was to have Bryan Symes and Steve Weld, in conjunction with associate attorneys, take over the labor and employment law work.

We at Weld Riley (and you) were recently advised that Mindy has changed her plans and will be joining von Briesen & Roper, S.C. Despite Mindy's decision to unretire, we believe Weld Riley can continue to provide quality legal service to the Village of North Hudson in the labor and employment area and would welcome the opportunity to do so.

Please call or email if you wish additional information.

Very truly yours,

WELD RILEY, S.C.
