The St. Croix County Register of Deeds is pleased to announce that it has a free on-line automated service that will allow St. Croix County property owners to have their name monitored within the Register of Deeds Office in order to track possible fraudulent activity. Participants will receive an e-mail or phone call alert when the exact name they have submitted to Property Fraud Alert (PFA) is listed as a Grantor or Grantee on a document recorded in the Register of Deeds Office. PFA will not prevent fraud from happening; however, it provides an early warning system that will allow property owners to take appropriate action should they believe fraudulent activity has occurred with their property.

To learn more about PFA and to sign up, visit www.propertyfraudalert.com or call 1-800-728-3858

Read the Frequently asked questions before signing up and remember that when you refinance or are involved in real estate transactions that it is logical for your name to send an alert thru the PFA system.
