Minutes approval from February 12, 2015, 2014 meeting

Motion (Nelson/Zappa) to approve the February 12, 2015 meeting minutes as written. Motion carried.

Chief's report

Richert stated that due to recent board approval for Lexipol, he contacted Lexipol to begin the process. They informed him that it can take several months. Signs have recently been installed on the North and South side of town for 24 hour parking enforcement and engine breaking in town. Richert stated there was a drawing held at the recent conference he attended and NHPD won a \$4,000 grant for the purchase of equipment. Nelson asked whether this grant money can be used towards the NHPD radio purchase. Richert indicated he would need to review the list of what is and is not covered by the grant and would inform the committee at a later date.

The committee reviewed recent cases and traffic and municipal citation tallies.

Police Department Capital Equipment Planning

Richert stated he received quotes back from two Motorola companies. One quote is better than the other and is under the budget amount allocated for capital equipment for 2015.
